Dear Mrs. Manley –

I thought I would drop you a line to let you hear from me. I am well and hope you are the same. I saw Dandrige and he gave me your message. I thought I would hear from you since it is time for contracts to be mailed or maybe I am a little early.

All of our boys are doing fine, especially Clarkson. I hope he will be with us next year or rather in "42". My team is tied up for first place and if we win I will be down her maybe a little longer.

Well Mrs. Manley you raised me last year for what I had done the previous year. Now last year I improved about fifty-percent so this year

I will expect a raise on what I did last year. And if I can play one position and only one position I will be so much the better. I hope you feel the same way.

Well I must close but first of all give my sincerest regards to Mr. Manley and I do hope you both had a very Merry Christmas and a Happy New Year.

Sincerely
Monty Irvin
